

Encore shown in Bordeaux with optional warming shelves and mitten racks

## Encore

The Encore provides more than heat: it's a skillfully crafted, timeless piece of furniture. Great design bridges beauty and utility, and a finely fashioned exterior with classic curves and smooth cast iron finish complements features made with care.

Timeless cast iron styling with a furniture-quality finish

Convenient top load keeps smoke and ash contained and increases load capacity

Exclusive swing-out ash pan allows you to cleanly remove ashes, even when the stove is hot

Cast iron griddle top offers a versatile cooking surface for the stovetop chef

For full warranty details, visit [www.forgenflame.com](http://www.forgenflame.com).

1: BTU/hr output: 1st hour output uses high burn efficiency number. BTU/hr output will vary depending on the type of fuel used and moisture content of the fuel. 2: See your local Vermont Castings authorized dealer for help in determining the product that best suits your heating needs based on climate and home efficiency. 3: Weighted average LHV (Low Heating Value) efficiency. HHV (High Heat Value) efficiency used to qualify products for Tax Credit beginning in 2023.

IMPORTANT - READ BEFORE YOU INSTALL! - Refer to the Owner/Installation Manual for complete clearance requirements and specifications. The images and descriptions in this brochure are provided to assist you in product selection only. Vermont Castings is a registered trademark of Hearth & Home Technologies. Product specifications and pricing subject to change without notice. Fireplace, stove and insert surfaces get extremely HOT and can cause burns if touched. Keep a safe distance away.
